

KELSEY TRIMBLE

EDUCATOR

To Whom It May Concern,

It is with pleasure that I present my resume to you for consideration for a teaching position. With a Master of Education in Literacy Instruction, a Graduate Certificate in Educational Psychology, a Bachelor of Arts in Elementary Education, and a minor in English as a Second Language, I am confident in my ability to become a valuable member of an academic team.

The accompanying resume will highlight my creative, instructional, and leadership capabilities fostered by my teaching experience, certifications, and affiliations with honor societies. My four years of teaching multiple grade levels in different districts across the country have allowed me to gain valuable experience working with diverse groups of students. As a result, I have become proficient at developing and implementing creative and engaging lesson plans that accommodate the unique needs of all students, using a hands-on approach to learning, and facilitating students to reach their full potential.

My greatest strengths as an educator include my ability to create and foster individual relationships with each student and with my commitment to differentiation of instructional materials for learners at all levels. I firmly believe my passion for teaching and my commitment to being a lifelong learner paired with dedication and a strong work ethic will make me a successful educator in your school system.

Thank you for your time and consideration and I look forward to hearing from you soon!

Sincerely,

Kelsey Trimble
